

LOOP IN THE CLUBHOUSE

PING PONG PACKAGES

Do you want to ...

- Offer **more** to your members for their membership fee and introduce something **new and fun**?
- **Transform** your club's social space?
- Create a more **friendly, sociable and welcoming** clubhouse environment?
- Develop **strong connections** with your local community?
- **Encourage** people to **spend longer** in your clubhouse?
- Bring different sections of your club **together**?

Introducing table tennis into your clubhouse is a great way for you to build your club's community, attract new people, give your members added value for their affiliation and increase the amount of time they spend with you.

Don't just take our word for it, here's what community clubs who have already introduced table tennis have to say:

"Having a table has proven very popular and has created interest in the game as well as providing an attraction for all to come to the club in the close season" - Porthill Park Cricket Club
"Players tend to arrive earlier and stay longer"
- Flitwick Community Football Club

"It has engaged both members and non-members in the club, spending time and money in the Clubhouse" - Letchworth Sports & Tennis Club
"It has integrated different sections (ages/teams) of the whole club" - Guildford Rugby Club

What's on offer?

Loop in the Clubhouse packages include a range of quality in and outdoor tables, bats and balls, a Ping Pong Pioneer Pack (with games ideas) to help activate your table, ladder and knock-out cup boards, rules posters, advertising and event posters, promotional beer mats, trophies and medals, an equipment storage bag and free delivery and installation!
