Introduction

Welcome to our PE and School Sport: Local Offer brochure. This brochure aims to pull together information about a range of providers that can offer curricular and extra-curricular provision, as well as staff CPD, to enhance your PE and School Sport offer.

We are aware that in these challenging times of social distancing, 'bubbles' and ever-changing guidance, many schools are understandably unsure about what the delivery of PE and School Sport will look like in September and beyond. However, now that the Government has announced the continuation of the PE and School Sport Premium for the 2020-21 academic year, we hope that this brochure will help you plan how to use this funding for maximum impact on your pupils and staff.

We have specifically asked providers to include information about how they are adapting their provision to meet COVID-19 restrictions, along with details of local schools that they have worked with, costs and the range of their services. We hope this will help you to decide whether to use an external provider, and if so which is the right fit for your school.

Please note: The information contained within this brochure has been provided by the organisations themselves, and SASSOT cannot take responsibility for any inaccuracies. We have not carried out any checks on the quality of delivery, and inclusion within this brochure is not an endorsement by SASSOT.

In addition, this is not an exhaustive list of providers that work within Staffordshire and Stoke-on-Trent. Whether using a provider from this brochure or another organisation, we strongly recommend that schools undertake the appropriate checks to ensure high quality provision and a safe environment are provided.

afPE provides guidance on deploying coaches within schools: www.afpe.org.uk

Who are SASSOT?

SASSOT (Sport Across Staffordshire and Stoke-on-Trent) is the Active Partnership for the Staffordshire sub-region. We work with a wide range of local partners to increase the number of people taking part in physical activity and sport, and are part of an England-wide network of 43 Active Partnerships.

We have a vision to get Everyone More Active More Often and we deliver a range of services and programmes to achieve this.

To find out more, please visit our website: www.sportacrossstaffordshire.co.uk

Accelerate Learning Services

<https://www.acceleratelearningservices.co.uk/>

Caroline Holder is the former Staffordshire County Council PE Adviser and now works freelance delivering PE CPD locally and nationally through in-school support, courses and online learning. She also works with SASSOT to help oversee the effective use of the PE and School Sport Premium. She has a team of like-minded, passionate teaching professionals and can offer expert support to develop PE leaders, through exciting courses, bespoke in-school training and team teaching in PE, forest schools and outdoor learning. Her aim is to ensure all schools achieve the maximum impact on improving all elements of their provision in PE, health and wellbeing.

Contact:

Caroline Holder
peconsultant@outlook.com
07443473241

Qualified to deliver:

All aspects and areas of PE, health and well-being, development of middle leaders and other aspects of Primary School Improvement. Caroline has QTS, an MA in Education and has completed her NPQH. In addition to this she has completed a number of teacher training courses and has certificates in many sports activities.

Curriculum support available for schools:

Team teaching; various whole school support packages; courses; online learning resources. All details on the website and a full course and support brochure can be downloaded [here](#).

Extra-curriculum support available for schools:

Enrichment days, after school taster sessions and clubs.

Online learning opportunities:

A full range of online courses are available including:

- Preparing for a deep dive in PE
- Primary Gymnastics
- Primary Dance
- Primary Games and Athletics
- Active learning across the curriculum
- Improving PE curriculum and assessment
- An introduction to yoga and mindfulness
- Improving lunchtimes

The courses can all be viewed [here](#).

Costs:

- Online learning courses are: £0-£75
- Bespoke days are: £450 per day or £250 for half days
- Long-term packages range from £400-£5500

Accelerate Learning Services

Previous work with schools:

We have a range of case studies showcasing how we have worked with schools in the past to produce long term, sustainable outcomes. These can be viewed [here](#).

Some quotes from schools include:

“Working with a specialist consultant enabled the staff to completely refresh their knowledge, skills and delivery of gymnastics. The Staff had the opportunity to see outstanding gymnastics taught, over the series of lessons the specialist was there to guide staff and the teachers did the teaching!!!. It has had a brilliant impact in the school as teaching is now at least good or outstanding in Gymnastics, newly qualified staff quickly developed their knowledge, skills and delivery of gymnastics, progression is evident regardless of age, stage or ability -The ‘glass ceiling’ was removed and most importantly the provision is sustainable”. Pauline Colley – Headteacher, May Bank Infant School

“Having the 1-1 session to write the long term strategic plan and impact report around the Sports funding spend was invaluable. The specialist support and knowledge gained from the PE consultants during the session was something that I couldn’t have done on my own. Having the time and chance to think away from school has really made the difference in improving the opportunities available for pupils and linking the spend to whole school improvement priorities.” Anne Collins– Headteacher, St Bathelomews

“ I attended a network meeting in October having just taken the role of Sport and PE lead at my school. Compared to everyone else at the group I was felt so far behind! I signed up for a 1-1 consultation day which helped me to create a solid action plan and since that initial meeting, I have also had support creating policies and risk assessments as well as myself and other member of staff attended a range of course and receiving in-school CPD. The difference in school has been amazing and we have recently gained both the afPE and YST Quality marks as well as receiving some wonderful feedback from Ofsted in their deep dive into PE ”. - Felicity Gardiner - PE subject leader, John Wheeldon Primary

“The Level 5 course has been hands down the best course I have ever done. It has really improved my confidence in the delivery of PE and also as a subject leader in supporting others in my school to deliver high quality lessons too.” Emma Shaw – St Mary and St Chads First School

CPD for school staff:

Team teaching, various whole school support packages, courses, and online learning resources. All details on the website and a full course and support brochure can be downloaded [here](#).

Plans in place to adapt delivery in schools due to COVID-19:

We will approach each booking with schools as an individual case and risk assess the activities we are being asked to do in line with government guidelines and the afPE safe practice in PE and school sport risk assessment document.

ASM Sports

<https://asmsports.co.uk/>

Established in 2007, our creative programme has provided schools with an innovative and personable service which is unique to Physical Education and School Sport. Throughout our journey we have always prioritised evolution over revolution, which has helped us to progressively extend and diversify our services. We recognised that this could only be successfully implemented through employing individuals who shared our passion and principles. This vision has led to us assembling a dynamic team who are knowledgeable, flexible and friendly.

Qualified to deliver: All aspects of the PE curriculum.

Curriculum support available for schools:

We can assemble a syllabus that reflects community values, meets your pupil needs and best utilises your school facilities.

ASM Sports

Extra-curriculum support available for schools:

- Boot camp (£20 per session: 15 mins)
- Breakfast clubs (£25 per session)
- Lunch clubs (£25 per session)
- After school clubs (£35 per session)

Online learning opportunities:

Our ASM 'Royal Blue' portal documents all lesson delivery, provides class benchmarking and pupils assessment

CPD for school staff:

We offer 'Mentoring (CPD)' which provides a high level of support and guidance in facilitating an increased understanding across the PE curriculum for all teaching staff.

Benefits:

- Tracking workbook provided for every unit of work
- Start of unit appraisal relating to current competencies
- Observation periods preceding practical assessment
- End of unit development plan to secure learning process

Previous work with schools:

We currently deliver to 80+ schools within Staffordshire and Cheshire.

Plans in place to adapt delivery in schools due to COVID-19:

We have remained fully operational throughout COVID-19, providing PE support to our partner schools through delivery to key pupils of key workers. We are now continuing to deliver to classes who have started to be integrated back into education.

This experience has enabled us to come up with a comprehensive syllabus of activities that remain COVID-19 safe but also do not compromise the enjoyment levels of pupils.

A bespoke Risk Assessment applicable to working in COVID-19 conditions has been drawn up and is being followed.

Bee Active

<https://beeactive.co.uk/>

Our mission is to keep people connected, healthy and active; deliver the best possible value and experience and to put a smile on the faces within our community.

Qualified to deliver:

Bee Active employs an enthusiastic team of professionals that are qualified to deliver a wide range of sports, physical activity, wellbeing, forest schools and theatre in education services.

Curriculum support available for schools:

A wide range of curriculum support services with online assessment portal (Honeycomb), equipment and resources supplied.

Extra-curriculum support available for schools:

- Ofsted registered wrap around childcare and holiday clubs
- Breakfast, lunch and after school clubs
- Enrichment events

Previous work with schools:

Bee Active are a reputable Company with strong community links in Stoke-on-Trent, Staffordshire, Cheshire East and Shropshire. Our vision is simple; "Everyone, Happy and Healthy". We're proud of our team, and passionate about our roles, that's why our services come with a 100% happiness guarantee! Bee in your bonnet? We will solve it, offer an alternative or issue you a full refund. No questions asked. Contact us to discuss how we can help you to achieve your school's priorities for the coming year.

CPD for school staff:

- CPD curriculum mentoring programme with pre- and post-unit review, ongoing planning, delivery and assessment
- Lunchtime supervisor training and playground leaders course
- PE audit and action planning
- PECO mentoring and subject support

Plans in place to adapt delivery in schools due to COVID-19:

Burton Albion Community Trust

SCHOOLS

<http://www.burtonalbioncommunitytrust.co.uk/>

Burton Albion Community Trust (BACT) is the charitable arm of Burton Albion Football Club.

The strategic aims of BACT are to: deliver high quality; create a positive journey; measure and evidence impact, and govern and lead effectively, helping to achieve the mission of 'Making a difference to our communities through the power of sport and brand of Burton Albion FC.' Since its inception in September 2010, engagement numbers have grown together with investment in the local community. On average, BACT engages with more than 7,000 people per week with ages ranging from four years to 80-plus. At BACT, we try to maximise all aspects of the participant's journey, to allow programmes to continue to grow organically and make a greater impact on the local, regional and national agenda.

Contact:

John Widdowson

john.widdowson@burtonalbionct.org

01283 246207 / 07535971119

Qualified to deliver:

PE & School Sport – Curriculum PE, Extra curricular PE, Intervention Groups, English, PSHE, Premier League Primary Stars

Curriculum support available for schools:

Small group intervention – Reading Stars (yr 5&6), Maths (yr2), Move & Learn programme – healthy lifestyles programme (yr 5), PSHE – Values v Violence, bespoke PSHE delivery. (Costs: £35 per hour)

Extra-curriculum support available for schools:

Multi skills, dance, football. (Costs: £25 per hour)

CPD for school staff:

Teacher PE delivery support, Dinner Supervisor Training

Previous work with schools:

"Our work with Burton Albion Community Trust has enhanced the sports provision in our school and provided the opportunity for many of our youngsters to experience activities they otherwise would not. From providing our older children with lessons demonstrating the importance of fitness and healthy lifestyle to our less active pupils enjoying the delights of playing curling in our school hall at lunchtimes, the coaching staff of BACT have helped inspire our pupils to see both the opportunities and benefits of activities inside and outside the classroom. The partnership with Burton Albion is a key part in helping us demonstrate to our pupils what they can aspire to in the future". Simon Webster, Headteacher, Richard Wakefield C.E. Primary Academy

Plans in place to adapt delivery in schools due to COVID-19:

We will adapt all delivery to smaller group work to meet schools requirements and government distancing guidelines. Risk assessments will be made available and amended to suit different school environments and sessional needs.

Burton Albion Community Trust

ALTERNATIVE EDUCATION

Qualified to deliver:

- Alternative Education for primary and secondary aged students onsite at BACT
- NCS programme
 - Bespoke sessions in and out of school around Self confidence, self control, resilience, raising aspirations.
- Positive minds programme to reintegrate students back into school.
 - Mentoring programmes to support students of all ages.
 - Employability support form parents and carers out of work.
 - Holiday Hubs – school holiday programmes to support those students who schools identify as needing provision through the holidays- pilots studies done around holiday hunger.

Costs:

- Alternative education – cost on referral.
- NCS – funded via NCS Trust.
- Bespoke – prices are determined by group size and length of the course.
- Roughly £50 per session for 10 students for 10 weeks.
- Holiday Hubs - £200 per day as a guide.

Previous work with schools:

We have delivered many bespoke programmes to schools including Literacy support to low level readers in Yr7, Healthy Living and Raising aspirations to Yr 8 and 9, All about the world of work with Yr7 and 8. All of these have been delivered in schools. Alternative Education is delivered on site at BACT. We work with Primary and Secondary students in small groups or 1:1.

"One of the ways the staff have ensured this success is their passion to drive the provision in a direction that meets the needs of the children in Burton. They have done this through close work and communication with partnered schools, a steering group offering support and feedback and the ability to change and adapt to this feedback and outcomes and also due to their own unique perspective on the daily work they are carrying out with the children. As a team their commitment to the alternative provision is clear and I believe they are offering a distinct package of mental health, well-being and a development of skills for the children who are attending that without this provision would be at risk of permanent exclusion. This is something that the headteachers in Burton have been wanting and needing for the children in the town for a number of years". Nicola Oliphant, Headteacher, Holy Trinity

Online learning opportunities:

Through Alternative Education we offer ASDAN key skills online course along with food hygiene and sports leaders.

Plans in place to adapt delivery in schools due to COVID-19:

We can adapt all our session to smaller group work to meet school requirements, Alternative Education is delivered following all guidelines. Risk assessments are available on request, these are amended to suit different school environments.

LivWell

<http://www.livwellhealth.co.uk/>

Contact:

Eddie

01889 299030

team@livwellhealth.co.uk

LivWell directly helps schools and teachers tackle pupil health and wellbeing.

We do this through our online platform that offers teachers engaging and stimulating teaching resources created by our Award-Winning Co-Founder Caroline, plus mental health training.

Curriculum support available for schools:

Online platform offering teachers Health and Wellbeing resources.

Online learning opportunities:

Mental Health First Aid (MHFA) Training through our online platform.

Costs

Packages start from £695 per year.

Previous work with schools:

Business is due to launch in September 2020, so we currently don't have any paid customers but all of our directors have a track record of working within education for 50 years.

CPD for school staff:

Mental Health Training and Health & Wellbeing lesson ideas.

Port Vale FC Foundation

<https://portvalefoundation.co.uk/schoolsport/>

The Port Vale FC Foundation was set up in 2015 to deliver a range of activities that positively impact our community. As a registered charity, we use the Port Vale brand to engage, inspire and motivate individuals of all ages and backgrounds, providing programmes, events and courses in four core areas: Sport, Health, Education and Inclusion.

Our lead staff have/are working towards their afPE Level 3 qualification which allows them to deliver a high level of PE which fits into the curriculum. All our staff have a minimum of level 2 coaching qualification covering several different sports from football to multisports to gymnastics which allows them to deliver a range of both PE and extra curricular activities; we also have coaches with specialist subjects such as dance. All staff also have safeguarding qualifications along with first aid and a DBS.

Curriculum support available for schools:

PE delivery
PLPS
PSHE workshops
Baby boomers – EYFS
Raising aspirations
Mentoring
Targetted programmes such Attendance and Behaviour

CPD for school staff:

We can offer teacher CPD, this is a bespoke programme which utilises the expertise of our experienced coaching staff working closely with school staff to improve their knowledge and understanding of delivery of PE. This is a teacher-led approach which will develop a CPD programme that meets the needs of both the teacher and the school.

Contact:

Tana Owen

Tana.owen@port-vale.co.uk

01782 757066

Online learning opportunities:

Opportunities to deliver E-Learning.

Extra-curriculum support available for schools:

Breakfast club
Lunch club
After school club
Extended hours

Prices will be discussed with individual school based around the requirements of the school. There are also opportunities for schools to take part in funded programmes which we run throughout the year.

Port Vale FC Foundation

Previous work with schools:

We provide a variety of sessions in schools, from breakfast clubs through to extended hours; from football to dance sessions and everything inbetween.

"Our Port Vale FC Foundation coach has had a huge positive impact on our school. He is a committed caring and confident member of staff who has a wide range of skills and personal qualities that ensure he meets the needs of our pupils and school ethos. He has become an invaluable part of our school team and works within a range of roles. He is an excellent role model around the school; he is always willing to help anyone." – Suzanne Oakes, Glebe Academy.

Mentoring programmes – we will work with a targeted group of children who need additional support; on top of this we also provide targeted programmes such as attendance and behaviour programmes. Raising aspirations – this is a career day/workshops built around the different job opportunities at Port Vale FC. (This includes a PVFC visit/ground tour.)

"We had a brilliant day, the children said they hadn't realised what an array of opportunities there were working in a football club or for that matter in any organisations like that. The tour and the information was very illuminating and well exceeded our expectations. Children were exposed to all types of people and careers, each person gave them honest and informative answers and it was also fun (especially meeting the players and managers) as well as a great learning experience. It opened our children's eyes to what is out there." - Beth Davenport, Forest Park Primary School.

Baby Boomers – Our baby boomers session is designed specifically for Nursery and EYFS; the sessions develop a range of fundamental and transferable skills, providing an environment which supports the child's learning whilst being fun and engaging alongside improving confidence, relationships and social understanding through working within teams.

"The reception children here at New Ford Academy have thoroughly enjoyed their sessions. During the lessons led by a team of approachable staff, the children have developed a number of key skills. Each lesson has been fully inclusive, age appropriate and organised by the staff to correlate with our topic areas and we look forward to them each week." – EYFS, New Ford Academy.

"Baby boomers sessions in school are superb! Great fun for the children with targeted sessions that mirror the Early Years Foundation Stage Outcomes. Parents are welcomed to join the sessions and see first hand the progress their little ones are making. A superb use of Early Years Pupil Premium funding." – Rachel Beckett, Sandon Primary Academy.

Plans in place to adapt delivery in schools due to COVID-19:

We continued to work in schools during Covid-19 providing provision for key workers children whilst abiding by the social distancing rules set by the government and working within the school guidelines. We have risk assessed provision and adapted activities to fit in with current guidelines, this document has been shared with all staff and sets out safety considerations which they should abide by, staff have also completed CPD sessions with the FA on the 'new normal.' More details can be found on our website [here](#).

Progressive Sports

<http://www.progressive-sports.co.uk/>

We are experts in supporting schools and communities to inspire and encourage children to be physically active throughout Staffordshire and the UK. Over the last 14 years we've built up a reputation with 100s of schools for quality teaching and learning - delivered by our personable and professional team, that inspires and encourages children to be physically active.

Qualified to deliver:

Level 2 Multi-Skills Award
Various NGBs Level 1-3
Level 3 PESS Qualified Staff

Curriculum support available for schools:

Plans in place to adapt delivery in schools due to COVID-19:

We will be following all the published government guidance and work with our partner schools to ensure safe practice.

Contact:

Eddie

01889 343120

info@progressive-sports.co.uk

Extra-curriculum support available for schools:

Fencing, streetdance, dodgeball, tchoukball, football, kwik cricket, tag rugby, cheerleading, hockey, basketball, non-contact boxing, archery, korfbal, volleyball, tennis, handball, frisbee, gymnastics, multi-skills, multi-sports, zumba

Progressive Sports

Previous work with schools:

"From the outset it was clear that all coaches and management are passionate and skilled when it comes to the teaching of PE. The PPA is excellent value for money and most importantly provides expert coaching for our children!" Etching Hill Primary School, Marie Smith – Headteacher

"Progressive Sports have provided my school with some great coaches. The relationships the coaches have built up with the children is great and we see them as part of our school!" Holly Grove Primary School, Dawn O'Hare – Headteacher

"Working with Progressive Sports has had a positive impact on PE and physical activity in our school. The profile of sport has been raised and the children have developed a much greater enthusiasm for PE." Hob Hill Primary School, Ben Preston – Headteacher

"Watching a specialist coach lead the session has given me a whole range of strategies and ideas that I can implement into my own lessons. This was a super experience for my class and me!" Mrs Tribshaw, Y3 Teacher at Chancel Primary

"Since signing up to the SUPERCOACH Programme our school has been supported in creating a clear focus for developing a sports programme which will impact on the sporting and academic successes of all the children, regardless of ability." Helen Barron, Headteacher at Princefield First School

"Progressive Sports have assessed the pupils' abilities in differing skills and this has allowed us to create a programme of support to develop areas of weakness but also to extend and challenge our more able pupils." Rebecca Walker, Co-Headteacher, Saints Federation.

"Our partnership with Progressive Sports has ensured our use of Sports Premium has a direct impact on both staff and children and is sustainable with our long-term future in mind." Nathan Briley, Brownhills West Primary

Staffordshire Cricket

<https://www.staffordshirecricket.co.uk/>

<https://www.chancetoshine.org/>

Contact:

Jenny Moore

07845 733546

j.moore@staffordshirecricket.co.uk

Staffordshire Cricket is one of 39 County Cricket Boards in England and Wales whose role it is to lead, inspire, influence and support the growth, quality and accessibility of cricket in Staffordshire.

One of our biggest roles as a County Cricket Board is to work with the cricket charity Chance to Shine to deliver high quality cricket both in a School and Street setting. Chance to Shine aims to give all children the opportunity to play, learn and develop through cricket. They believe that cricket can help to develop the personal, social and physical skills of the 500,000 children (nationally) that they work with every year.

Qualified to deliver:

- All of our coaches are experienced UKCC Level 2 (minimum) cricket coaches. They also all have an enhanced ECB DBS check, safeguarding qualification and first aid.
- All of our coaches have also taken part in Create Development's 'real coaching' Foundation Modules - <https://jasmineactive.com/solutions/real-coaching/>
- Cricket coaching both within a community, mainstream school & special school setting
- CPD for teachers when they sign up to the Chance to Shine portal - <https://teachers.chancetoshine.org/>
- Young Leader training

Curriculum support available for schools:

Chance to Shine have created a powerful bank of free resources for Primary and Secondary schools, so teachers can lead their own cricket sessions with confidence.

These include lesson plans for cricket coaching sessions, instructional videos for all the skills and drills and top tips from the professionals. Sign up here <https://teachers.chancetoshine.org/>

There is also a dedicated area on the Chance to Shine website for activities during COVID-19 - <https://www.chancetoshine.org/staying-active-during-the-covid-19-outbreak>

Yorkshire Tea National Cricket Week – This is an opportunity to celebrate the sport, to inspire children to take part in cricketing activities and to showcase the work that Chance to Shine does in bringing the game to hundreds of thousands of children every year. There is an excellent section on the website for schools interested in taking part - <https://www.chancetoshine.org/national-cricket-week>

**STAFFORDSHIRE
CRICKET**

CHANCE TO SHINE
Spreading the power of cricket

Staffordshire Cricket

Extra-curriculum support available for schools:

Playground leader programme – Leadership sessions KS2 to deliver fun safe cricket to younger children within the school.

Online learning opportunities:

The Chance to Shine portal is full of videos, lesson plans and other classroom-based resources to help schools to deliver cricket in whatever format is possible that day.

If selected to be a Chance to Shine school, curriculum time delivery is free of charge.

Previous work with schools:

Here is a quote from a school in Staffordshire that have received Chance to Shine coaching in the last 12 months from our team. This quote shows the breadth of work that we can do within a school.

"Cricket has really taken off at St. John Bosco over the last year or so. We have always entered competitions but now have a regular after school club attended by around 25 children each week thanks to Chance to Shine and Staffs Cricket. We also have free coaching one afternoon a week which covers all classes during the year. For the first time last academic year, we were able to enter a girls only team into a festival. Since then, we attended a Warwickshire county game at Edgbaston to further inspire a number of our children. Cricket is extremely popular at lunch times, especially amongst the girls. It has helped boost confidence and self esteem in a number of our pupils. It has taught important values in terms of sporting behaviour and togetherness. Cricket has also inspired the PE coordinator (Craig Ellicott) to start playing cricket himself and to sign up his children to the All Stars programme. Bosco will be an All Stars centre this year too, with Craig trained to deliver these sessions."

2 millionth girl to take part in Chance to Shine video - [watch it here.](#)

Staffordshire Cricket coach Myles wins National Coach of the Year award - [watch it here.](#)

CPD for school staff:

As part of the Chance to Shine programme, our staff are trained to deliver CPD to teachers within the school setting. This, alongside the free school resources section on the portal means that all teachers/TAs can deliver cricket in a safe and fun way.

Plans in place to adapt delivery in schools due to COVID-19:

There are plans in place to deliver the following:

- Normal coaching within schools (if appropriate)
- Virtual lessons
- Continued use of social media and the free teachers portal

Staffordshire FA

<http://www.staffordshirefa.com/>

The Staffordshire FA oversee the development and regulation of grassroots football across the County. Our services include the development of players, coaches, referees, volunteers and anyone else who wants to be involved in the game. We have a number of support processes in place and we can provide bespoke support to professional and voluntary organisations across the County to enhance their football knowledge and experience.

Qualified to deliver:

A variety of programmes including FA Coaching and Referee Courses, CPD workshops, mentoring and leadership and upskilling of the workforce

Curriculum support available for schools:

We can provide opportunities for coaches/teachers/support staff to gain or improve their knowledge in regards to grassroots football including specialist personal development to help staff provide sessions for students and players.

Online learning opportunities:

The FA have a variety of online learning opportunities via their Bootroom website. Individuals can sign up to learn more.

Previous work with schools:

We have provided numerous CPD sessions which teachers and support staff have attended including basic football skills, futsal, female specific, disability etc. Sessions can be created on topics as requested or general/specific workshops can be provided.

CPD for school staff:

As above. We can provide support as requested and on topics as required.

Plans in place to adapt delivery in schools due to COVID-19:

We can provide activity based on current guidelines and restrictions, and on what the schools require.

(Any requests for activity will need to be provided in advance to ensure staff are available and any activity can be planned in accordance with latest guidance.)

Extra-curriculum support available for schools:

Various - discussed on an individual basis.

Costs:

Discussed on individual basis with schools dependent upon provision provided.

Online learning opportunities:

Only videos currently.

Previous work with schools:

Work consistently with a number of schools in Stafford and have done for the last 6 years with outstanding feedback from headteachers, staff, parents and children.

CPD for school staff:

Team Teaching with QTS member of Staff.

Plans in place to adapt delivery in schools due to COVID-19:

Currently providing a series of videos encompassing dance, gymnastics and ball skills. Lesson plans have been adapted for socially-distanced lessons in schools and these are currently being delivered to a variety of schools across the district.

All lessons follow the National Curriculum and assessment provided.

Stoke City Community Trust

<https://www.stokecityfc.com/community>

The power of sport, particularly football, is used to engage with people of all ages, abilities and social backgrounds. The Trust is committed to inclusion work, promoting health and wellbeing, and improving education. As well as providing sporting opportunities for young people to pursue and enjoy a more active lifestyle, programmes also stimulate a more positive outlook for others in need of encouragement and support, regardless of their economic status or physical ability.

The Trust is devoted to the community it serves. Within the catchment areas of Stoke-on-Trent, Newcastle-under-Lyme, Staffordshire Moorlands, Stafford, South Staffordshire and parts of North-West Shropshire, we contact and attempt to benefit the lives of approximately 150,000 children and young people each year.

The Community Trust strives to: - Provide opportunities for all, regardless of their background, ethnicity, economic status or physical ability. - Provide opportunities for community participation in physical activity or recreational activities. - Excel in being a proactive and socially responsive organisation, attuned to the community we serve.

Curriculum support available for schools:

Curriculum support is provided via our Primary Stars programme which uses the appeal of the Premier League and professional football clubs to inspire children to learn, be active and develop important life skills. Teaching materials cover subjects from English and Maths to teamwork and PE, with free-to-download activity ideas, worksheets, lesson plans, fun assemblies and exclusive videos. Learning is connected to the real world of sport to enthuse pupils when tackling challenging PSHE topics such as resilience, diversity, self-esteem and fair-play. Professional football club staff work with teachers to deliver fun, educational sessions in a range of subjects within local partner schools.

<https://plprimarystars.com/about>

Extra-curriculum support available for schools:

We provide sports and physical activity clubs for the whole, or part of an academic year to all year groups. Sports/activities we provide are:

Football, netball, tennis, multi skills (for KS1), cricket, rounders, hockey, multi sports, tri golf, athletics, basketball, volleyball, tag rugby, gymnastics, dodgeball, handball

The cost for a child to attend a session is £3.00. Typically, a member of staff will come to the school (at no cost) to promote the after school clubs(s) and give the children letters to pass on to parents outlining more detail about the clubs such as dates/times. In terms of staffing we typically send 1 coach for every 10 pupils. So 2 for 20, 3 for 30 etc. However, current guidelines are that there has to be 1 coach for every 5 pupils in their bubble. This may change by September.

Stoke City Community Trust

Online learning opportunities:

We have provided online PE training during the lockdown.

Costs:

Each programme we deliver encompasses either Maths, PE, English or PSHE and lasts between 6 and 10 weeks. Schools can purchase an individual programme for £250 or packages of programmes for between £1500 and £3500.

Previous work with schools:

Stoke City and Beth; discover how one teacher has gained confidence in teaching PE with Stoke City Community Trust at: <https://plprimarystars.com/educatables/Stoke-Beth>

CPD for school staff:

We have a former Secondary School PE teacher who provides PE CPD to schools for a minimum of 6 weeks. Example of her work on the link above.

Plans in place to adapt delivery in schools due to COVID-19:

We have a Risk Assessment in place which can be viewed [here](#).
