DECEMBER 2024

Dear Applicant

Thank you for your interest in the position of Programme Lead at Together Active, a leading charity in Staffordshire and Stoke-on-Trent focused on designing out inactivity in our region.

The Programme Lead is a unique role that will build capacity for our place based work across Staffordshire. The central focus of this role is to bring people together from all parts of our system in order reduce inequalities in access to physical activity.

This is an incredibly exciting time to join our organisation. We have been through a significant transformation and are reshaping how we work to ensure we are able to reach the people who would most benefit from our support. We've launched a new strategy and have a whole new team to help deliver our outcomes.

Our plans are challenging, exciting and ambitious because they have to be. If you believe we can help improve people's life outcomes by ensuring they are not left out of the systems and structures that should exist to support them, we want to hear from you.

Being accredited by the Race Code is one of the ways we demonstrate our commitment to becoming an anti-racist organisation but we still have a long way to go and much to do. Equality and diversity achieved through equity is important to us. We recognise our organisation is currently underrepresented by black and minoritised people, LGBTQIA+ people, and people with a disability. If you identify with any of these characteristics, your application is especially encouraged. We also are keen to encourage applications from people who may have faced social exclusion or are from a background where this has been the experience of your household.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "C. Jones".

Carly Jones
Chief Executive

Who we are

Where we've come from

We were originally formed as a County Sports Partnership and operated under a local authority. After almost 20 years as Sport Across Staffordshire and Stoke-on-Trent, we were keenly aware that if we wanted to support the people who need us the most, we had to shift our focus. Our ambitions were not just about sport but in ensuring that everyone has the opportunity to be active in the way that works for them. And in doing so, we could create more opportunities for people to live happy, healthy lives. So, in 2020 we took the step to register as a charity, and became **Together Active**.

Where we are today

Together Active is an Active Partnership, which means we benefit from being part of a network of 43 organisations whose purpose is to tackle inequality through the lens of physical activity. Today, we work to make sure that the right systems and services exist for people to be able to lead happy and healthy lives.

Our **aims** are to:

Work with partners to improve the prevention pathway for mental health

Test new ways of working with socially excluded groups to increase opportunities for them to be active

Prove that physical activity has a critical role to play in community development

Both our new strategy and our Theory of Change are clear that our focus of our work must be in Stoke-on-Trent for the foreseeable future, with further targeted work in areas of highest deprivation across wider Staffordshire. We know that if we achieve our aims, we can collectively reduce the strain on health and social care services and support an early intervention approach. This in turn will help to create meaningful improvements to the lives of the people in Staffordshire and Stoke-on-Trent.

Together Active does not directly deliver services and our role is in ensuring we create the conditions and space for existing organisations, brilliant at what they do, to keep doing it. We work in a systemic way to tackle the structural issues that prevent access to physical activity and connect strategic decision makers to the real life experiences of the people they work for.

Our Vision

Design out inactivity across Staffordshire and Stoke-on-Trent

Our new strategy covers the period 2024-2030. Our focus is on the people that are most likely to feel the impact of structural inequality preventing or limiting their ability to lead an active, healthy life. Our aim is to use physical activity as a vehicle to keep people included.

Our approach is based on universal proportionalism. That means we'll allocate our resource where it's needed the most. This is based on evidence, data and experience. In our region, poverty disproportionately impacts the residents of Stoke-on-Trent compared to the wider county of Staffordshire. That's why we will work more in Stoke-on-Trent than any other part of the region for the duration of this strategy.

We know how household income intersects with other inequalities people experience has a big impact on how active they can be. That's why we'll also be focusing on people who experience or are at risk of exclusion because of their:

- Gender
- Race and/or cultural heritage
- Physical Disability
- Lower Income
- Experiences of mental distress or a mental health condition

“
Our aim is to use physical activity as a vehicle to keep people included

Carly Jones, CEO

”

How we value you

At Together Active we know that our people are our most valuable asset. We have recently launched our **People Plan** that sets out how we put the welfare and wellbeing of our staff at the heart of the organisation. In addition to fair salaries with clear opportunities for pay progression, we offer the following benefits:

- Generous annual leave allowance: **27.5 days** upon commencement of employment plus bank holidays. This rises by an additional **1 day of leave per year** after 2 years of continuous employment, up to an additional 5 days leave in total. (Pro rata for part time staff)
- Three concessionary days leave over Christmas and New Year (pro rata for part time staff)
- Death in service scheme up to the value of three times actual salary
- Volunteer day to spend either as a team or individual helping out with an organisation or cause you select
- Up to **8% employer** contribution to pension scheme
- Reimbursement of the cost of a standard eye test as a user of visual display equipment
- Access to **Cyclescheme**
- Annual CPD courses offered by Staffordshire University
- Online skills training platform - for employees to use to broaden their professional and personal development across a range of online courses.
- Access to counselling service.

We are committed to working flexibly and we mean it. Most people in our team are hybrid workers and we tend to congregate in the office approximately twice per week. We are focused on outcomes and the impact that we make, not counting the minutes you're sat at your desk.

Our office is based at Staffordshire University in Stoke-on-Trent which is a short walk from Stoke-on-Trent train station. There are electric charging points on campus for electric vehicles and parking permits can be purchased to minimise costs.

Each applicant will be individually assessed regardless of age, gender, ethnicity, sexual orientation, disability, religion or belief and we will use positive action on the basis of race and/or disability in the case of a tie break situation.

**We know
our STAFF
are our most
valuable asset**

The Role

Role Profile: Programme Lead

Reporting to: Head of Development

Salary: £38,000

Hours: Full-time, 35 hours per week (Fixed Term Contract 2 Years)

Location: Hybrid (between our office, at home and across Staffordshire)

Role Summary

The Programme Lead is a unique role that will build capacity for our place based work across Staffordshire. The central focus of this role is to bring people together from all parts of our system in order to reduce inequalities in access to physical activity. The central focus of this role is to bring people together from all parts of our system in order to reduce inequalities in access to physical activity. Convening partners to drive forward a culture of accountability at strategic level while ensuring that at individual and community level co-production and delivery of activities people actually benefit from are vital to the success of this work.

Role Outcomes

1. Improve wellbeing outcomes for families as part of place expansion work
2. Connected, vibrant, proactive system of partners working in core priority places
3. Grassroots, community organisations in our priority places are part of decision making
4. Robust learning and evaluation framework in place that can effectively demonstrate our impact across systems and directly for people living in place
5. The people who need to understand and demonstrate system leadership do
6. Coordinated, coherent approach has been developed to place based working in Staffordshire
7. Those most excluded from or at risk of exclusion from physical activity are meaningfully engaged in decision-making and benefit from co-produced, accessible opportunities to improve their health and wellbeing

What does this mean day to day?

All of the duties you undertake will be directly linked to the outcomes above and you'll have autonomy over what these look like with support from your line manager

You could expect your tasks to include:

- Co-ordinate, convene and support partners working on place expansion.
- Collate and analyse feedback, insight and evidence to support effective decision making.
- Develop strong relationship with all partners involved in place work.
- Support Development Lead and Lived Experience Officer to develop approaches to listening and co-production

- Develop programme plan for initial phase of place expansion in four priority areas in collaboration with partners.
- Develop package of knowledge and skill development opportunities across range of areas including system leadership, asset based community development and psychologically informed environments.
- Supporting development of governance structure for the work and ensuring the right people are involved in different aspects of the work.

Line Management Responsibilities

This role does not currently have direct reporting lines but may be involved in support and supervision for other key roles across the partnership including volunteers as the work develops.

Person Specification

Essential

1. Excellent communication and interpersonal skills, with the ability to engage and influence a diverse range of stakeholders.
2. Ability to build and maintain strong relationships.
3. Demonstrates professional curiosity.
4. Energetic and driven with a genuine belief in the positive impact that physical activity can have on the lives of people in Staffordshire and Stoke on Trent.
5. Demonstrates strong understanding of barriers to inclusion and accessibility in a physical activity context.
6. Demonstrable understanding of safeguarding adults at risk and children.
7. Excellent skills in Microsoft Office.
8. Sense of humour and displays humility.
9. Understanding of outcomes-based approaches to working.
10. Ability to work independently and as part of a team.
11. Proven experience in leading and managing complex programmes or projects, preferably within the public or voluntary sector.
12. Ability to work effectively with a wide range of partners and stakeholders at both strategic and community levels.
13. Strong organisational skills, with the ability to manage multiple priorities.
14. Experience of programme management.
15. Passionate about reducing inequalities and improving access to physical activity.

Desirable

1. Experience of leadership and team- building, with the ability to motivate and inspire others.
2. Previous experience in delivering place-based initiatives or programmes.
3. Experience in addressing inequalities, particularly in access to physical activity or health-related programmes.

How to Apply

- ✔ Please download and complete the application form and equality monitoring form. We will not accept CVs or cover letters. Your completed application should be returned to hr@togetheractive.org
- ✔ If you have accessibility requirements and need to submit your application in an alternative form, contact us by emailing hello@togetheractive.org
- ✔ Your application will be assessed based on how well you meet each element of the person specification, so please use concrete examples to illustrate this
